

The Nursery is a Social Enterprise horticultural venture supporting clients with Mental Health and Learning Difficulties.

The Nursery shop and outside display area is open to the general public seven days a week.

Our Aims ...

- To provide clients with therapeutic horticultural based work experience in a supportive yet realistic working environment that encourages clients to reach their full potential.

- To deliver vocational training and educational guidance so clients can maximise their potential and improve their chances of finding employment.

- To forge positive relationships with local employers, training organisations, funding bodies and community groups to help us to enhance the futures for all of our clients.

- To foster a strong and loyal customer base by training all of our clients in the value of delivering good retail service and quality horticultural products.
